Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Knowing The Unknown - I Mysteries of Life Past, Present, and Future In this first book in the series, Knowing the Unknown: Mysteries of Life, we search for the answer to the question, Who am I? We embark on a journey, starting with the period when man first appears on this planet, and get a unique perspective on the meaning, origin, evolution, frontiers, and future of life. By integrating science, technology, anthropology and theology, we explore and discuss the top ten mysteries of life as we search for the truth about: \* Origin of life and journey of mankind \* Science, life, evolution genetics \* Religion, life, soul, and God \* Intelligent design, creation vs. evolution \* Frontiers, and future of life \* Top ten mysteries of life During our journey, we take an interesting but objective look at the complexities of life from the perspectives of science and religion. We bring together the most recent research and observations, as we attempt to explain the meaning of life. Our journey unfolds the mysteries of life, and then raises further questions, as we explore the frontiers of life, predict its future, and search for the answers to the questions: \* What is life? \* How did life begin? \* Did human life evolve or was it created? \* Did outside intelligence play a role? \* Does the notion of inner soul exist? \* Does God exist? \* Why different people behave differently? We discuss all these questions in an unbiased manner. The book should inspire the reader to appreciate the elegance, beauty, and complexity of life. It should also help in understanding the true meaning of life and our role in the universe.
