

Letters to my Fanny (Paperback)

By Cherry Healey

Penguin Books Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. In this hilarious and candid memoir about twenty-first-century womanhood, Cherry Healey shares outrageous, poignant and eye-wateringly funny confessions. This book is a love letter, to my body. In fact it's several letters - to every part from my brain to my belly. I spent most of my life hating my body. I forced it to survive on a diet of ham; I squeezed it into asphyxiating support pants; I accidentally cut my delicate area whilst trimming my lady garden. But now I've realized that it deserves some well overdue TLC. This book is the story of how I've come to understand some vital life lessons, and started to love being a woman. I hope you enjoy it. Except you, Mum and Dad. You should stop reading now. It's for the best. I promise. Warm, honest and heartfelt, Letters to my Fanny will have you gasping in recognition.
