THE TWO SHIPMATES (PAPERBACK)

Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The stout trading brig Amity, Samuel Mudge master and part owner, was gliding up Plymouth Sound on a summer s evening towards her accustomed berth in Catwater, a few years before the termination of the last war between England and France. She had no pilot on board; indeed, her crew averred that the old craft could find the way in and out of the harbour by herself; at all events, her master knew it better than most men trading from the port, as did his young mate, Ralph Michelmore. The last rays of the setting sun were glancing on the topgallant mast-heads of the brig when her anchor was dropped, and by the time her sails were furled and all was made snug the gloom of night had settled down on the Pool, and twinkling lights began to appear from the houses on shore.
