Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

RANGER OF MAYAT (PAPERBACK)

Ineti Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kekhmet, the empire of the Two Lands, is a faded shadow of its former glory. Once the shining jewel of the world, the empire has been split apart by the invasion of foul Hesso marauders and the depredations of corrupt governors. The gods and goddesses of Kekhmet are all but silent, and the people struggle to find hope in their hardscrabble lives. When Tjety, an exiled Ranger of the goddess Mayat, discovers a ransacked fishing village along the lawless northern frontier, he marshals his training and divine hekau magic to hunt down the vicious cultists responsible for the attack. But can he find them before their prisoners are twisted into mindless slaves serving a ruthless necromancer bent on shattering the tenuous balance between order and chaos? Ranger of Mayat is the first episode in PISTOLS AND PYRAMIDS, an ongoing weird western series best described as an ancient Egyptian spaghetti western with magic. And mummies. Lots of mummies. The print edition includes four BW illustrations by artist James Hale and a map of Kekhmet.
