Most of his writings were published between 1846 and 1857. Best known for his sea adventure Typee (1846) and his whaling novel Moby-Dick (1851), he was almost forgotten during the last thirty years of his life. Melville s writing draws on his experience at sea as a common sailor, exploration of literature and philosophy, and engagement in the contradictions of American society in a period of rapid change. The main characteristic of his style is probably its heavy allusiveness, a reflection of his use of written sources. Melville s way of adapting what he read for his own new purposes, scholar Stanley T. Williams wrote, was a transforming power comparable to Shakespeare s.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
