Obadiah Grant, born in 1870, finds himself in Central Park, in New York City in 2000. His discovery of a new life, personal relationships and modern conveniences is both astounding and terrifying. Obies ability to sketch everything he sees fascinates everyone, especially Anne, the 21st century look-alike of his 19th century sweetheart. Wake Up, I Love You is a page turner, that will leave you feeling warm and happy, as you follow Obies adventures. Renee Beach Halliburton, senior editor at Prentiss Hall School Division; formerly with Simon and Shuster, writes: There is an easy flow to your narrative, that is wonderful. The character development is good. We certainly see your young protagonist grow. I do like the way you tell a story - its like listening to a good storyteller. Its even easy to follow, and you have a nice way with dialogue, I notice the emphasis on certain values - self growth, caring, friendship - and of course there is a love story. Nice job. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
