The Fairy Tale Art of Walter Crane: Coloring Book

By Walter Crane

Pomegranate. Paperback. Condition: New. Soft cover book with staple binding 48 pages with 22 images to color. Size: 8 x 11 in. Coloring pages are blank on the back so they can be cut out and displayed. More than one hundred years after they were first drawn, Walter Crane's fairy tale illustrations remain full of magic. The beloved children's book illustrator brought life to classic stories. Some are still bedtime favorites, such as Beauty and the Beast, Robin Hood, and Little Red Riding Hood. When you fill in the twenty-two line drawings, imagine what sort of story you might like to tell. We've left the last page blank so that you can draw and color a fairy tale of your own. This item ships from multiple locations....

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
