She can seduce you into believing she s the woman of your dreams--or kill you with the icy efficiency of an executioner. The world of international espionage is about to learn the hard way that spying is no longer merely. A Gentleman s Game Greg Rucka s electrifying thrillers have pushed the boundaries of suspense fiction to where few have dared to go. To succeed, she ll do anything and everything it takes. She ll have to kill again. Only this time the personal stakes will be higher than ever before. For the terrorist counterstrike will require that Tara allow herself to be used as bait by the government she serves. This time she s turning her very life into a weapon that can be used only once. In this new kind of war, betrayal can take any form.including one s duty to queen and...
