

June Gemini (Paperback)

By Kofa Boyah

Kofa Boyah, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Envision a world where natural disasters threaten the survival of mankind. Tidal waves, earthquakes snowstorms simultaneously strike, claiming thousands of unsuspecting lives in an instant. The world s leaders and prolific thinkers turn towards science to explain the crisis, while others site religious platitudes and The End of Days. But what if they are all wrong? June discovers during the aftermath he is now able to do things beyond what any human is capable. When others emerge with similar abilities, Dr. Charles Risk, the founder of CURE, vows to help them control and understand their gifts. But things are not as they seem as intentions become clear and June learns the origin of the events are deeper than anyone could ever imagine. As his powers continue to evolve, June is faced with a choice that will forever change his life and decide the fate of humanity.

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.
