

Moonrise: The Power of Women Leading from the Heart (Paperback)

Filesize: 7.62 MB

Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Janie Wilkinson)

MOONRISE: THE POWER OF WOMEN LEADING FROM THE HEART (PAPERBACK)

Inner Traditions Bear and Company, United States, 2010. Paperback. Condition: New. Original ed.. Language: English . Brand New Book. Explores the flourishing, passionate forms of leadership emerging from women on behalf of the earth and community - Contains more than 30 essays from successful women leaders, including writers Alice Walker and Eve Ensler, psychiatrist Jean Shinoda Bolen, holistic doctor Rachel Naomi Remen, hip-hop performer Rha Goddess, and famous tree-sitter Julia Butterfly Hill - From Bioneers president and cofounder Nina Simons Many today find themselves being called toward greater leadership on behalf of the Earth, toward leadership sourced from their inner authority and inspired by what they love and are dedicated to protect, transform, and strengthen. Those successfully heeding this call have embraced the qualities previously relegated to the feminine --inner awareness, collaboration, relational intelligence, respect for the sacred and generosity--and married them to the best of their masculine attributes to create a new form of leadership more inspiring, inviting, and effective for transforming how we live on Earth and with each other. This anthology presents more than 30 essays from eminent women trailblazers--such as author Alice Walker, psychiatrist Jean Shinoda Bolen, playwright Eve Ensler, holistic doctor Rachel Naomi Remen, biologist Janine Benyus, hip-hop performer Rha Goddess, and famous tree-sitter Julia Butterfly Hill--as well as lesser-known but equally influential leaders--such as social entrepreneur Judy Wicks, philanthropic activist Kathy LeMay, food justice advocate LaDonna Redmond, and media educator Sofia Quintero. Their narratives explore how they cultivated their leadership impulses and their feminine strengths, reinventing leadership to prioritize community, collaboration, the environment, and the common good. Illuminating a path to progressive environmental and social change, their passionate stories of joyful, creative, collaborative, and sacred leadership ignite within each reader the power to help cocreate a healthy, peaceful, just, and sustainable world.
