THE CUPCAKE WITCH (PAPERBACK)

Clockpunk Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. They say the course of true love never runs smooth. That s nothing a magical cupcake can t solve. Julie Buttercream. Vanilla. Fondant. Dark chocolate. Brown sugar. Molasses. Baking has always been my true love, but it wasn t until my mother s death, and the unexpected inheritance of Serendipity Gardens, that my bliss called me. Bittersweet. But Serendipity Gardens has more to offer than just a potential shopfront. An unusual recipe box left to me by a distant relative might be the key to unlocking my dreams. Too bad the most powerful family in Chancellor has plans that could turn those dreams to ruins-literally. Too bad the son of that powerful family is just the kind of guy I ve been looking for. Horatio I suppose being heir to the Hunter family s Blushing Grape Winery should make me happy, but nothing could be further from the truth. With my mother gone, my father has taken me under his wing, and I despise everything about the way he does business. Sour grapes, indeed. Instead of raising money for charitable causes, my true passion, I m chasing my father s manifest destiny. Too bad his dream includes paving paradise. Too bad the property owner is the sweetest woman I ve ever met. The Cupcake Witch is a stand-alone sweet romance and book 2 of The Chancellor Fairy Tales series.
