The Crowood Press Ltd, United Kingdom, 2012. Hardback. Condition: New. Language: English . Brand New Book. When a number of young women go missing, investigative journalist Emma Boylan explores the circumstances surrounding their disappearance. When one of her articles, focusing on the release of a sex offender, is published, it incites a vigilante-style protest in his neighbourhood. Accused of irresponsible journalism and condemned by the forces of law and order Emma is undeterred and unearths some terrifying secrets, discoveries that expose her to a fate similar to those she seeks to investigate. The Tara Bones takes you on a voyage of unexpected twists and turns as it confronts the abuse meted out to the missing women, in an atmosphere of unnerving suspense.
