Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Cathedrals of the United Kingdom: Their History, Architecture, Monuments, and Traditions With Short Notes of the Chief Objects of Interest in Each Cathedral City and a Popular Introduction to Church Architecture The bright work stood still, And might of its own beauty have been proud, But it was fashioned, and to God was vowed, By virtues that diffused in every part Spirit Divine, through forms of human art. Faith had her arch, her arch, when winds blew loud, Into the consciousness of safety thrilled; And Love her towers of dread foundation laid Under the graves of things; Hope had her spire Star high, and pointed still to something higher. Istian architecture is antagonistic to pagan art it is spiritual rather than intellectual. The Italian style is a miserable compromise between the Gothic and Classic style, applied to ecclesiastical buildings. In place of a cold monotonous uniformity of plan, and stationary orders, Gothic art is progressive, and may yet be capable of further development on the noblest principles of construction; it is irregular, for every part is designed for use, and...
