Winning Faith, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many believers think you need to be overtly religious in posture to succeed in the Marketplace. This is not always true. While it is true that there are some that will need to wear an overt toga of Christianity to fulfil their calling in the Marketplace; for many if not most, their activities in the Marketplace will need to be in secrecy and discreet at certain stages, only revealing their true status at the appointed time. In every generation, God will not leave himself without a witness. So amongst the despair that we see in the world today, God has His secret agents operation undercover and to the casual mind, they are just like the unbelievers. These are the first group of people this book is primarily directed at. Those called to the Marketplace, who will operate behind the scene in Babylon, rising through the ranks to the top in all areas before unleashing the God agenda they have been incubating all along. This book is also for every believer, who needs to understand the operations of God on the earth by developing divine wisdom on dealing with people of diverse assignments. Who wants to do away with religion and present the true gospel. Could people we see daily in different sectors that appear ungodly in fact be God s Secret Agents in the Marketplace? Could people we condemn be those doing what is needed to maintain their cover in the enemy s territories? How do you conduct yourself in the Marketplace as a believer? How do you operate behind enemy lines until the time of your unveiling comes? How do you become all things to all men? What strategy can believers employ to...
