HarperCollins Publishers Inc, United States, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Following the death of a loving caretaker, a succession of replacements raised Leve-relationships which resulted in intense attachment and loss. It was not until decades later, when Leve moved to other side of the world, that she could begin to emancipate herself from the past. In a relationship with a man who has children, caring for them yields clarity of what was missing. In telling her haunting story, Leve seeks to understand the effects of chronic psychological maltreatment on a child's developing brain, and to discover how...
