Tenacious Bulldogs is the story of two young reporters, who work together to expose a highly unlikely, but truly disturbing, covert operation by the Central Intelligence Agency. When their puzzling and often obstacle-laden investigative journey begins, Nicole Robins, a young, general assignments reporter for a daily newspaper in Savannah, Georgia, and Rick Scott, the newest Pentagon correspondent for one of the national television networks, are working on two, seemingly-unrelated news stories. Nicole, who looks like a beauty queen but pursues news like a bulldog, tries to write a story about a routine emergency landing of a civilian cargo plane at the local airport. As they begin to peel back the layers of a covert operation, the two reporters meet a number of interesting characters along the way - an unlikely CIA operative, guided by the spirit of his dead grandmother to do the right thing; the Sheik of a newly founded country in the Middle East, who unknowingly may have helped arm terrorists in the region; and a managing editor who s spent most of her life believing she is Nellie Bly incarnate. By connecting a myriad of seemingly unrelated pieces of information and refusing to be stonewalled, Nicole and Rick ultimately...
