## Study Skills for Nursing and Midwifery Students (Paperback)

By Phillip A Scullion, David A. Guest

OPEN UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. .this is the only book I have come across that gives consideration to student midwives. There are many study skills books available for nursing students, and although this book is aimed at both, it does take into account the differences between the two professions. .this is a useful book which delves deeper than its cover would suggest. MIDIRS Midwifery Digest This book is an essential course companion for nursing and midwifery students at degree and diploma level, as well as those returning to study. It covers key skills and knowledge needed, such as: Study strategies Reflective practice Critical thinking Evidence-based research Exam techniques Literature searching How to succeed in assessments Lively and accessible, the book includes bullet points and exercises that will enhance reader efficiency in learning. The book also has an accompanying website, that is written specifically for this market, and includes tips on: Writing CVs and covering letters Finding a good job Interview skills Continuing professional development (CPD) for nurses and midwives Career progression Study Skills for Nursing and Midwifery Students has been carefully structured to be used throughout a nursing career: It...
