Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Archaeologia Cambrensis, 1867, Vol. 13 In the present volume the series of accounts of early remains in Anglesey and Caernarvonshire will be found continued with regularity and to them are added the first portions of an interesting examination of the domestic architecture of South Pembrokeshire, so long a desideratum in the archaeological history of South Wales. It is to be hoped that similar researches will be carried on in other counties of the Principality, and laid before the Association. The notice of members is particularly called to the skill and fidelity with which these papers are illustrated.
