ESCALATORS (PAPERBACK)

Rourke Educational Media, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. An escalator is a moving staircase with steps that go up or down. This book discusses how an escalator is based off a conveyor system, moving objects up and down using gears and chains that are connected to the steps, flattening them out at the top and bottom so people can easily get on. This form of transportation has made it more convenient to go...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
