HOW TO READ SADE (PAPERBACK)

WW Norton Co, United States, 2005. Paperback. Condition: New. American. Language: English . Brand New Book. Approaching the writing of major intellectuals, artists, and philosophers need no longer be daunting. How to Read is a new sort of introduction--a personal master class in reading--that brings you face to face with the work of some of the most influential and challenging writers in history. In lucid, accessible language, these books explain essential topics such as the historical context that frames de Sade s daring philosophy. John Phillips introduces the Marquis de Sade s highly original and thoroughly subversive depiction of human sexuality, and the philosophical and political thinking that underpins it. He shows how, though Sade s work continues to shock, it can also be seen as the logical conclusion of eighteenth-century materialism. As the only writer of his time who dared to put the body at the center of philosophy, Sade has a unique place in the history of modern thought. Extracts are taken from the entire range of Sade s literary, philosophical, and personal writings, including *The 120 Days of Sodom*, *Philosophy in the Boudoir*, *Justine*, *Juliette*, and his *Last Will and Testament*.
