

Islam Muslims in the 21st Century (Paperback)

By Mr Abdus Sattar Ghazali

Abdus Sattar Ghazali, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Islam in the 21st Century: Challenges, Conspiracies Chaos is an attempt to present a Muslim perspective in the era of disinformation, misinformation and reductive historical and theological explanations related to Islam and the Islamic World. The Islamic states are part of the so-called Third World that is dominated by the West. The Western dominance is of a multi-dimensional nature, not just military or political hegemony. Economic and intellectual forces are important components of the dominant power that the West wields. The dominant countries of the West have not only penetrated the Third World, particularly, the Islamic or Arab countries in economic and political terms but also in very significant cultural areas. This hegemonic or dominant role is exercised by certain Western countries because of the ascendant position they occupy in the world market and the community of nation states buttressed by military and technological superiority. The Western policies towards the third world - that includes the Islamic world - are primarily determined by the analysis of economic and power interests, not by the evaluation of a religion. These policies are single-mindedly pursued...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.
