Schaaf, however, is also fighting private battles of his own. It's been a long and eventful journey for him so far; from leaving the Hitler Jugend and his family in Munich to fighting the Russians on the Eastern Front, and his journey is long from over. He must also be continuously on his guard in order to prevent his personal demons from escaping; A scenario that would surely bring horrific consequences. As their advance progresses, battles are won, comrades are lost, new enemies are encountered and at times, the enemy proves to be just a little bit too close for comfort. Written by a military expert and based on real battles this story is action packed with an intriguing plot.
