

Ben s Blog: Ben Franklin Discovers the 21st Century (Paperback)

By Tom Nalesnik

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if one of the Founding Fathers of the United States were suddenly transported to the 21st century? As it turns out, Ben Franklin is the perfect candidate for the job. As scientist, inventor, writer, publisher, and diplomat, he is well equipped to report on his experiences as an unexpected, unwitting time traveler. In this entertaining and whimsical new twist on historical fiction, Ben takes his readers on an unusual journey, investigating the people, places, and events of our amazing world of the future, as he calls it, in a series of short newspaper columns. Along the way, he shares his observations on a wide variety of contemporary subjects, from newsmakers to firefighters, summer travel tips to science fiction. He comments on media personalities, politics, computers, the Olympics, global warming, the latest inventions and discoveries, popular music, American holidays, parades, weird news, and much more. And, just as you would expect from Ben Franklin, he also weaves biographical details from his own real life story into the blog narrative - almost as if Ben picks up where history left off,...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
