Passaconaway's Realm (Paperback)

By Russell M. Lawson

University Press of New England, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Now that New Hampshire's dominant White Mountain peak can be climbed relatively easily in a long day, or more comfortably ascended by car or cog railway, it is easy to forget that it was once considered by Native Americans and most European settlers to be too sacred and formidable to attempt. In fact, mountain climbing was relatively rare until recent times, making the fifteen ascents of Mount Washington between 1632 and 1804 all the more remarkable. Passaconaway's Realm is a concise, historically and scientifically correct, and very dramatic story of Mount Washington's earliest climbs and the men who made them in pursuit of botanical specimens; meteorologic, geographic, and geological data; and personal adventure. Incorporating sources that have never been utilized, Russell M. Lawson highlights the interaction of the wilderness landscape and the native peoples with such British-American newcomers and invaders as Walter Neale, Darby Field, John Josselyn, Captain Wells, Robert Rogers, Nicholas Austin, Governor John Wentworth, Jeremy Belknap, and Manasseh Cutler. He focuses on rustic frontiersman Captain John Evans, a founder of Fryeburg, Maine, an axe-man and hunter, but also...

Reviews

This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.

-- Cheyanne Barrows

The book is fantastic and great. I have go through and i also am certain that i will planning to read through once more once more down the road. Its been printed in an exceedingly simple way and is particularly simply after i finished reading through this publication through which really changed me, change the way i think.
