Black Opal Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A blonde, a brunette, and a monster walk into a bar and all hell breaks loose. It should have been the start of a bad joke, but Xander Cade, Tracker for the Northwest Motoki Pack, finds nothing funny about confronting an enraged shifter in a crowded Portland nightclub filled with unsuspecting humans. The resulting carnage begins to fray the thin veil of secrecy shielding the supernatural Kyn community from public scrutiny. It also ensures there is no escaping the one man she s been determined to avoid, her alpha and mate, Warrick Vidis. Dominating, protective, and compelling, he threatens her individuality like no other. As the alpha wolf, compromise isn t in Warrick s vocabulary, but when Xander refuses to leave off the hunt for a killer, he has no qualms about using whoever or whatever is necessary to protect her and his pack. A series of unusual deaths, along with anonymous threats against him and the pack, begin to jeopardize his normally steely control. Add in Xander s continual reluctance to fully accept their Soul Bond, and the line between intellect and instinct begins to blur, leaving him wondering if one woman s love and acceptance will be enough to save both man and wolf. As the danger escalates, threatening not just their pack but those closest to them, Warrick and Xander must find a way to trust each other and accept their rare bond, or risk losing everything-their pack, their friends, and each other.
