

Sky Burials (Paperback)

By Ben Smith

Worple Press, United Kingdom, 2014. Paperback. Condition: New. Language: N/A. Brand New Book. The poems in Ben Smith's first chapbook map shifting environments, strange ecological events and dubious auguries. They trace rivers, coastlines and other borders, where saints set sail in boats of stone, wolves stalk the suburbs of Chernobyl and scientists leap from cliffs dressed in coats of feathers. Told through the voices of birds, unreliable seers and broken bones found in rivers and museums, these dark, playful poems explore prophecy and ritual, science and uncertainty in the era of climate change.

Reviews

It is one of the most popular ebooks. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.

-- **Sigrid Brown**

Absolutely one of the best pdfs we have ever read. I really could comprehend every little thing using this written ebook. I am easily could get a satisfaction of reading a written publication.
