Little, Brown Company, United States, 2018. Paperback. Condition: New. Joelle Dreidemy (illustrator). Language: English . Brand New Book. For fans of Captain Underpants or Sideways Stories from Wayside School, this new chapter book series is perfect for reluctant readers. When the 13th Classroom is struck by purple lightning, something strange happens--all of the students get SUPERPOWERS! You might think this was superb, but it was not. (It was sorta silly.) With great gifts comes wild weather, giant roaches, atomic farts, and other tricky troubles. As the students of Classroom 13 are about to learn, getting superpowers is not always super. If YOU could have a superpower, what would it be? The final chapter of each book encourages young readers to write their OWN chapter and send it in to the author, Honest Lee! The Super Awful Superheroes of Classroom 13 is the fourth title in a new chapter book series of hilarious stories about a very unlucky classroom. Each story is full of humor, action, and fun that will prompt hours of conversation among friends, families, and classrooms.
