By Roger Davenport

Skyhorse Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Wanderer, Roger Davenport, Here in a vast lost valley, society has split into two: the Wanderers, who team together to battle against the elements and each other in the harsh world of the desert, and those who live in the pyramid-city of Arcone, whose closed environment and tightly controlled society enable them to maintain a more civilized existence in the face of an environmentally devastated planet. Conflict is inevitable . . . Kean is a Wanderer, adopted into a team that has protected him since he was a child. Essa lives with her parents in the pyramid and chafes at the mental and physical restrictions the government enforces to protect its people. But when a rogue Wanderer plans an attack on the city to gain its resources for his people, Kean and Essa s paths collide with an impact that will alter their lives forever. The next in a line of postapocalyptic coming-of-age stories that began with Lois Lowry s masterpiece "The Giver" and moved on through the Hunger Games series, "Wanderer" is a journey of danger, growth, friendship, and hope for a new generation."
