Dodo Press, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. More than twenty-five years have passed since I began to collect the materials from which this pamphlet has been evolved. As a substantial basis, to begin with, I was an eye-witness of all the fighting in the vicinity of Spring Hill, that amounted to anything, from the time Forrest attacked the 64th Ohio on the skirmish line until Cleburne s Division recoiled from the fire of the battery posted at the village. Since I began collecting I have neglected no opportunity to increase my stock of information by conversation, reading or correspondence. I have twice revisited the battlefield. I have the Government volume containing the official reports, all of which I have carefully studied. Among my correspondents, on the Union side, have been Generals Stanley, Wilson, Opdycke, Lane and Bradley, besides many others of lesser rank. I am as confident, from their letters, that my paper would have the approval of those named, who are now dead, as I am sure it has the approval of General Wilson, to whom a manuscript copy was submitted for criticism.
