NEVER AGAIN (PAPERBACK)

La Romance, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is highly inappropriate. Why? he rumbled in my ear. Because you re so young, and because I m now your boss. That just makes it more exciting. Not even a year after marrying the guy she d thought was the love of her life, Cora Knowles is already requesting a divorce. To her recollection, philandering was not a part of her wedding vows, and she wasn t about to stand by while Sally from accounts rolled about on her Egyptian cotton sheets. While trying to soothe her broken heart with copious amounts of cake and liqueur chocolates, her best friend, Olivia suggests that the best way to get over someone, is to get under someone else. Problems arise when the one Cora gets under turns out to be the the son of the Director of Prosecution--her boss. Worse still, he s young. Younger than Cora originally thought, and younger than she s comfortable with. But, when the attraction is undeniable, Cora needs to decide whether she ll turn her back on the enigmatic Brandon Sharp, or take a risk and follow her heart, even though she promised herself she d never do that again.
