Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Occasional Poems and Verses N presenting this Volume of occasional poems and verses to the notice of the Public the Author thinks it right to state that at the times when very many of them were written he had no intention of ever giving them to the public in book form. The pieces in the Volume are a selection from those which have from time to time been published in newspapers, and also from the manuscript poems of the Author. Those which are now for the first time published are marked in the contents with an asterisk. Without any wish either to arm or to disarm critics it may be stated that this book is not published at the earnest solicitation of friends, and it may also be stated that a number of pieces which some friends suggested should be included are excluded, because the political leanings of, or the satirical allusions in such are of too personal a character. If those which are of a political cast should appear to be rudely expressed, it must be remembered that the persons of whom notice is taken, are fair objects of political as well as poetical animad version. This is said not so much for the purpose of excusing, as of explaining the rights of publication. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
