Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)*

ILLUSTRATED HISTORY OF THE BOROUGH OF QUEENS, NEW YORK CITY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Illustrated History of the Borough of Queens, New York City History, in the true sense of the word, is a narrative of past events. But when we undertake to write the history of a city, or of a part of a large city, which is not past and gone, but has rather arrived at the point where its growth and development have received an impetus stronger and more effective than all the factors which in the past have been influential in shaping its destinies, we must as a matter of course take present conditions into account. For history shall not only show us how things and conditions were in the past, but it has the much higher and more important function of teaching us why those who came before us have succeeded or failed, wherein they excelled or what errors they committed, that we may profit by the experience of bygone ages and remain as free from errors as it is possible for mortal man to be. The history of a city that still exists and increases almost daily in greatness, in size, in population and in riches, should therefore not be a record of past achievements only, but it must, in order to be complete, furnish us with a vivid picture of the population as it is at the time the story is written. Every good and complete history must enable the student or reader to glance into the future, and to form conclusions, from the facts narrated, as to what shape the further development will take. In a case like the one before us there is no better way of judging the future...
