

Intelligent Search Finding the Best Talent for your Company and the Best Company for your Talent

By Pamela J. Ciccantelli

AuthorHouse. Paperback. Condition: New. 128 pages. Dimensions: 8.2in. x 5.0in. x 0.3in. Have you ever asked why your company is unable to hire the talent that it needs to be successful in your market? Have you wondered why the cost of hiring is so high? Have you ever found yourself staring down the barrel of a job search and thought that the first step was to pick up the phone and contact a local headhunter? Have you gone on interviews only to find you had no interest in the company or the position? If you have asked these questions, you should read this book. Its purpose is twofold. It will provide clear step-by-step guidelines to be used by companies in finding and hiring the best talent in the most cost-effective way. It will also help professional candidates who are beginning a job search find the best company for their particular talents and interests and most effectively use the resources at their disposal. Both parties will be more fully informed as to the rewards and implications of using outside services in their search. This information is designed to help both companies and candidates make more fully informed decisions in the search process. Intelligent...
