

## Killer of a Mind (Paperback)

By Valerie Albemarle

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There really is no such thing as the perfect crime. But a very nice try deserves the perfect revenge: taking all the satisfaction away from the wrongdoer. In this case, denying that the crime ever happened. When a romantic trip turns into a sad breakup, Ryan kicks himself to Cancun to clear his mind. The small world of gringo tourists becomes even smaller when he meets a man who s practically a neighbour back home. What a shame that a drunken revelation puts an end to what could have been a good friendship! But an end is a new beginning, and two men so well-matched in wits make even more interesting enemies. If only fortune didn t meddle in their beautifully-laid plans! This psychological suspense novella is inspired by Patrick Hamilton s Gaslight and by the warm humid nights on the Mayan Riviera, that playground for the primal instincts of revenge and survival.
