STUDIES OF THE GREAT WAR: WHAT EACH NATION HAS AT STAKE (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Studies of the Great War: What Each Nation Has at Stake In general terms, war is the negation of the Ten Commandments: Alchemy, witch craft, astrology, duels and war belong alike to the cave-man, and the era of savages. God made Europe as an Eden garden, where the tree of life ripens purple clusters for hungry pilgrims, but today men have split the boughs of the life-giving tree into spears, and fed its blossoms to their war horses. Rulers have despised peace, and refused good will to their brother men. When hate and war are rampant, the one duty Of the hour is to teach love, peace and justice. When the fur row is open, even though by the hot plough shares of war, that is the time to sow the seed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
