

## Uncle John's Bathroom Reader: Fake Facts: Really Unbelievable.Because They're

By Institute, Bathroom Readers'.

Bathroom Readers' Press. 1 Paperback(s), 2012. soft. Book Condition: New. After years of laboriously researching facts, verifying them, and then verifying them again, Uncle John's mischievous minions decided to blow off a little steam. Fake Facts is full of origins, facts, weird products, strange diseases, kooky fads, slang terms, historical oddities, and other fascinating bits of information that sound true, but aren't. Read about the brief reign of John Adams, the first and only king of America; the dolphin-speaking abilities of Floridians; a theme park linking Alaska and Russia; Amish Life, Tragedy Central, and other little-known cable channels; and the beastly "Wisconsin grandma hordes." Founded in 1987 on Uncle John's simple precept ("Every article must be able to be read in a few minutes, and every page must either have an amazing fact or a good laughor both"), the Bathroom Readers' Institute is still going strong almost three decades later, offering dozens of books full of browsable, entertaining information from history to sports, politics to pop culture, and occasionally, utter nonsense. 224.
