

Rudolf Steiner s Path of Initiation and the Mystery of the EGO: and The Foundations of Anthroposophical Methodology (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

RUDOLF STEINER S PATH OF INITIATION AND THE MYSTERY OF THE EGO: AND THE FOUNDATIONS OF ANTHROPOSOPHICAL METHODOLOGY (PAPERBACK)

Temple Lodge Publishing, United Kingdom, 2014. Paperback. Condition: New. First. Language: English . Brand New Book. Two lectures in Bologna: on 31 March 2011 at the International Conference to Mark the Centenary of Rudolf Steiner s Lecture in Bologna, and on 8 April 1911 at the Fourth International Philosophy Congress A special conference took place in Bologna in Spring 2011, marking the hundredth anniversary of a unique lecture Rudolf Steiner delivered to a philosophically-trained audience in the same city. In his key exposition, Steiner had given a concise description of the spiritual-scientific theory of knowledge as well as a brief outline of the anthroposophical path of schooling. In his contribution to the 2011 congress, Sergei O. Prokofieff tackles two principal aspects. On the one hand, he describes how Steiner s Bologna lecture contained the essential foundations for a new science of the human ego . On the other hand, Prokofieff states that Rudolf Steiner was the first person to transform this same theory into a practical path of knowledge, following it to its very conclusion. Thus, the words of Rudolf Steiner s lecture were based entirely on personal experience. Together with a transcript of Rudolf Steiner s full Bologna lecture, Sergei O. Prokofieff s own lecture is reproduced here in an expanded version. In addition, this volume features Rudolf Steiner s important summaries of essential points , in which he develops and connects some of his key thoughts with further aspects of anthroposophy, especially in relation to their Christological foundations.
