Crestline Books, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Creating Sherlock Holmes chronicles the life and times of Sir Arthur Conan Doyle and the legendary Sherlock Holmes--the famous writer and his brilliant creation. Since Sherlock Holmes first appeared in the 1887 novel A Study in Scarlet, he has taken on a life of his own. But despite thousands of portrayals over the past one hundred years in books, on stage, in films and television, and even video game adaptations, what do we know about the great detective? Who was he and where did he come from? Holmes remains an enigma--his original life contained in fifty-six short stories and four novels. His creator, Sir Arthur Conan Doyle, was a celebrity figure during his own lifetime. Fans turned out in thousands around the world to catch a glimpse of the man who had invented one of the most memorable characters in popular culture. Creating Sherlock Holmes outlines for you the life Sir Arthur Conan Doyle lived, and how Holmes affected it. In the process, author Charlotte Montague reveals two great men whose lives are forever twisted together in history. One man is strikingly real and powerful, while the other is fictional, but destined to long outlive his creator.
