

Metapsychological Perspectives on Psychic Survival: Integration of Traumatic Helplessness in Psychoanalysis (Paperback)

By Simo Salonen

Taylor Francis Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Metapsychological Perspectives on Psychic Survival explores the integration of traumatic helplessness in the course of psychoanalytic treatment. Based on the author's many years of experience of working with psychotic and severely traumatised patients, this book offers guidelines to approach extreme psychic trauma in the therapeutic setting. Simo Salonen links psychic representation of the elementary drive phenomena and metaphorical thinking to a primary identification understood as a mode of object finding. The collapse of this connection signifies a radical psychic trauma, the integration of which into the temporal continuity of an individual's life is an essential task for psychoanalysis. Another key element of this book is Salonen's notion of the primal representative matrix, referring to a resource of primary narcissism that an individual has been endowed with, carrying vital meanings. Also explored is the crucial work of mourning, as the result of which the impoverished ego may recover its primary narcissistic resources. Using insights from numerous case studies, Salonen offers a new way of understanding severe trauma, which can be used to advance both psychoanalytic theory and clinical practice. Metapsychological Perspectives on Psychic Survival...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
