Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

DRUNK THE NIGHT BEFORE AN ANATOMY OF INTOXICATION

[DOWNLOAD](#)

Univ Of Minnesota Press. Paperback. Condition: New. 256 pages. Dimensions: 8.7in. x 5.5in. x 0.6in. This invigorating work traces the cultural history of convivial drinking before the concept of addiction overshadowed intoxications reputation as a creative, philosophical, and spiritual force. Marty Roths *Drunk the Night Before* illustrates altered consciousness from myth to contemporary life, laying bare the behaviors and beliefs, sacred and secular, invested in intoxication. From the days of antiquity to the twentieth century, Roth follows the often veiled language of intoxication through religion and aesthetics, poetry and art, popular festivals and film. In this sweeping work, he examines the cultural roots of love potions and the fountain of youth, drunkenness in Hollywood cinema, the religious concept of a spiritual high versus the condemnation of intoxication. Roth reinvigorates the currently rebuffed connection between intoxication and artistic creativity, taking up by turn the poet Anacreon and the canon of drink poetry - from classical Greek to the European lyric, Euripides *Bacchae* and the figure of Socrates in Platos *Symposium*, the heavy investment of Western philosophy in intoxication, and the concepts of the carnivalesque in Friedrich Nietzsche and Mikhail Bakhtin. At once deeply erudite and irresistibly congenial, this encyclopedic work makes critical sense of the long history of alcohol as potion and poison, as *pharmakon* and catalyst, revealing altered states as the hidden thread in the story of sensation and Western cultural consciousness. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
