

## Language Development: An Introduction, Global Edition (Paperback)

By Jr. Robert E. Owens

Pearson Education Limited, United Kingdom, 2015. Paperback. Condition: New. 9th edition. Language: English . Brand New Book. For college students in courses with the same topic in communication disorders, psychology, and education. A best-selling, comprehensive, easy-to-understand introduction to language development. This best-selling introduction to language development text offers a cohesive, easy-to-understand overview of all aspects of the subject, from syntax, morphology, and semantics, to phonology and pragmatics. Each idea and concept is explained in a way that is clear to even beginning students and then reinforced with outstanding pedagogical aids such as discussion questions, chapter objectives, reflections, and main point boxed features. The book looks at how children learn to communicate in general and in English specifically, while emphasizing individual patterns of communication development. The new Ninth Edition continues the distribution of bilingual and dialectal development throughout the text; expands the discussion of children from lower-SES families, including those living in homeless shelters; makes substantial improvements in the organization and clarity of Chapter 4 on cognition and its relationship to speech and language; consolidates information on Theory of Mind in one chapter; improves readability throughout with more thorough explanations, simplification of terms, and increased use of headings and bullets; weeds out...
