

Historical Essays, Vol. 3 (Classic Reprint) (Paperback)

Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.
(Laurence Littel)

HISTORICAL ESSAYS, VOL. 3 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Historical Essays, Vol. 3 IN this second edition I have added two pieces, written since the volume first appeared, which deal with matters kindred with the general subject Of the series. One Of these papers, Professor Geddes on the Homeric Problem, I have reprinted as an Appendix to the Essay on Mr. Glad stone s Homer. In it I wish very distinctly to call attention to the views Of the Aberdeen Professor, without as yet pledging myself either to accept or to reject them. The other, on The Primaeval Archaeology Of Rome, appears as a distinct Essay. It consists Of such parts Of an article SO headed, the fruit of my first visit to Rome in 1873, as did not consist Of mere temporary criticism. In both Of these pieces, subjects already treated Of in the series are treated of again, to some extent from new lights. I have therefore cut out some parts Of the Essay on Mommsen s History of Home. In the other Essays I have done little more than add and strike out a few notes and make a few verbal improvements. The publication Of my Third Series Of Essays last year fills up the gap between this and the First Series. The essays on Imperial subjects, if read in the order, Second. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
