Brand New Book ***** Print on Demand *****.From what we see around us, we can conclude our beloved country is going in the wrong direction. We have felt safe while Christians around the world have been suffering incredible religious persecution. It is catching up to us. There is a growing cooperative relation between the government and several private groups to repress any Christian expression. Openly practicing our faith is under attack. God has appointed His believers to be His ambassadors to this world and has called us to stand up and defend the faith (1 Peter 3:15; 2 Corinthians 5:20). This book examines the forces that resist our openly witnessing for the faith. We will examine the world, the flesh, and the Devil and look at their interaction with man. Hopefully, we will open a supportive dialogue between ambassadors. Dr. Edward Jones is a seventy-five-year-old man living in a senior complex in central Florida. He led an active life prior to 1995 when he became disabled. Writing replaced preaching. In addition to his books, he writes for the Crossroads Bible Institute and is chairmen of his church s prison ministry. He brings to his writing a unique balance between the spiritual and the secular. His books reflect the interplay of the two. Other books include Come up Hither and The Joy of Fellowship. Christ s Ambassadors is his third book. All his books reflect his deep commitment to Biblical inerrancy.
