Exploring Consciousness Through Photography (Paperback)

By Dr John a Allocca

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Exploring Consciousness Through Photography The emphasis of this methodology is going deeper within, through photography as a form of art. It will be used as a medium to express and explore our inner-self. We usually render in art what we relate to the most. We will explore the relationship of what we photograph to issues of ourselves, our relationships to others, and the world around us. These issues are a part of us and will be present in our creative artwork. If you don t know anything about photography, but enjoy taking photographs, you will also learn the basics of cameras, light, composition, framing, and astrophotography. Or, just use any camera or a cell phone to take photos. Dr. Allocca, a medical research scientist, has 60 years of experience in photography. Goals: Learning the basics of photography Learn basic meditation and focusing tools Develop deeper self awareness Deepen your connection to nature and your creative self Have FUN! Table of Contents: Module 1 - Astronomy Basics Introduction Learning Astronomy Binoculars Binocular Collimation Telescopes and Spotting Scopes Magnification Field of View Light Gathering...

Reviews

The ideal ebook i actually study. It is among the most incredible book we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Boyd Steuber**

A must buy book if you need to adding benefit. Of course, it is actually perform, still an interesting and amazing literature. I am delighted to explain how this is basically the best book i actually have read through during my individual life and may be he best book for at any time.

-- **Jarod Bartoletti**
