

Menswear: Vintage People on Photo Postcards (Hardback)

Filesize: 3.92 MB

Reviews

The publication is fantastic and great. It can be rally exciting through reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.
(Prof. Alvis Wuckert)

MENSWEAR: VINTAGE PEOPLE ON PHOTO POSTCARDS (HARDBACK)**DOWNLOAD**

The Bodleian Library, United Kingdom, 2012. Hardback. Condition: New. Language: English . Brand New Book. This series celebrates the Bodleian Library's acquisition of Tom Phillips's archive of over 50,000 photographic postcards dating from the first half of the twentieth century, a period in which, thanks to the ever cheaper medium of photography, ordinary people could afford to own their portraits. Each title in this series is thematically assembled and designed by the artist, the covers featuring a linked painting specially created for each title from Tom Phillips's signature work, A Humument. With an illuminating foreword by Eric Musgrave, Menswear presents postcards of men in all manner of outfits, whether formal, practical or casual, dating from around 1900 up to c. 1949. Most of the subjects are posing for portraits, displaying both their individual style and an interpretation of the fashions of the time. The rich variety of accessories on display includes ties, gloves, pocket squares, walking sticks, canes, boutonnieres and spats.
