In this book, I share a VERY TRANSPARENT and RAW account of what it was like for me, as I entered into the world of sexual relationships, TOTALLY UNPREPARED. I wrote this book because I don t want anybody to be as ignorant as I was about having sex. Having sex before time destroyed my life; it is a miracle that I am even alive. In this book, you are going to learn how immoral sexual activity causes you to make wrong choices. You will learn how it leads to negative personality changes and the spiritual and emotional dangers of so-called casual sex or hook-up sex. Sex looks a lot differently when viewed through spiritual eyes. This book will provoke you to change how you look at sex and cause you to understand that it is much more than just a physical act. While written ideally for teenagers and young adults, readers of all ages have benefited from the information shared in this book. It is especially helpful for parents, teachers, pastors and anyone who works with youth. Sex is extremely valuable, and once you realize how powerful it really is, you will no longer take it so lightly! Get enlightened to the deeper truths about sex in this RAW and REAL book that will make you laugh and make you think! No holds barred; nothing held back -- it s a look into the dark side of sex! ***WARNING FROM THE AUTHOR***...
