SOME RECOLLECTIONS OF A LONG LIFE (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Some Recollections of a Long Life I well recollect the great struggle which ensued on the introduction of the great Reform Bill in 1831, and ended after a desperate resistance, which brought the country to the brink of a revolution, in its triumphant passing in 1832. The public enthusiasm in its favour was such as has never since been evoked by any event. As a schoolboy I caught the infection, and, although I had not heard of Sydney Smith's humorous illustration that all schoolboys believed that one effect would be that gerunds and supines would be abolished, and that currant tarts would fall in price, I had some vague idea that good times were at hand. Looking back after the experience of sixty years, there is no doubt that the opponents of the measure were right in their view that it was a peaceful revolution, which transferred power from the upper to the middle classes, and broke down the outer line of defence against democracy. The Bristol I was at school when the Bristol riots first occurred on the rejection of the bill by the House of Lords in October, 1831; but I well remember seeing, a few months afterwards, the ruins of the houses burnt by the mob round nearly two sides of Queen Square.
