

Cezanne in Britain (Paperback)

By Anne Robbins

National Gallery Company Ltd, United Kingdom, 2006. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Though he spent much of his career in his native France, Paul Cezanne (1839-1906)--a stylistic innovator who constantly struggled to perfect his art--played a hugely influential role in modernism worldwide. This handsome book is the first to focus on Cezanne s works and reputation in Britain, where he was a key figure in the great debate about modernism that took place in the early years of the 20th century. Published on the centenary of his death, Cezanne in Britain features beautiful reproductions of forty works that cover the full range of his oeuvre--paintings, drawings, watercolors, and prints--along with accompanying descriptive entries. Essays trace his artistic development from its beginnings in the 1860s until his death, providing a chronological overview of his career and stylistic evolution. They also address the fascinating role British dealers, collectors, museums, and critics played in establishing his reputation domestically and abroad. A chronology and full list of Cezanne s works in British collections complete this important survey.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

-- Claire Bartell
