

Taiwan: A Political History

Filesize: 7.6 MB

Reviews

Basically no phrases to describe. I was able to comprehend everything out of this published e ebook. You can expect to like the way the author compose this ebook.
(Mrs. Novella Will)

TAIWAN: A POLITICAL HISTORY

Cornell University Press. Paperback. Condition: New. 288 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. For centuries, various great powers have both exploited and benefited Taiwan, their designs for this island frequently clashing with the desire of local inhabitants to control their own destiny. Such conflicts have shaped Taiwans multiple, and frequently contradictory, identities. Denny Roy contends that Taiwans political history is best understood as a continuous struggle for security. Eschewing the usual emphasis on the high politics of the recent era, he offers a comprehensive narrative of the islands political history from the first Chinese settlements to the Chen Shui-bian presidency. Roy covers the political system constructed by the KMT during the Cold War, the opposition breakthrough, the presidency of Lee Teng-hui, and the DPP presidential victory in March 2000. Roys approach allows him to integrate his understanding of Taiwans domestic politics with its foreign affairs particularly the relations with mainland China. He reveals how the interplay between political forces within and the influence of foreign countries from without has shaped Taiwan. His is a balanced account, incorporating up-to-date coverage and presenting many indigenous voices. Taiwan: A Political History illuminates the origins of the islands often-troubled domestic and international political situation. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
