Reviews

Completely among the finest ebook We have at any time read through. it was actually writtern really properly and helpful. You are going to like just how the writer compose this publication.
(Mr. Deangelo Considine)

SAINT TERESA: 1515-1582 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Saint Teresa: 1515-1582 I must point out here the principal works or documents on which I have drawn for this book, and explain my manner of reference. I. First and foremost come the writings of the Saint herself: - Her Life; The Book of the Foundations; The Way of Perfection; The Interior Castle. These I quote from the translation by Father Bouix (Librairie Lecoffre), and since the editions are numerous, and the pagination of them may differ, I refer as a rule to chapters. One of the most important sources is furnished us by her Letters. Of these the new edition of Father Gregoire de Saint-Joseph (3 vols. 8vo, Paris, 1900) is that to which I refer. Beyond question, this valuable publication sets right many interesting points and gives us a very large number of fragments which, if not all hitherto unpublished, in the strict sense of the word, had never been translated into French. As often as possible I have given the date of the letter: this gives facility, in certain cases, for referring to Father Bouix s translation. Next come: The Manner of Visiting Convents, a pamphlet, 16mo (not on sale). Rules and Constitutions of the Carmelites, a little 32 mo (not on sale). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
